Purnea ,Bihar(India) • 9504386321 • rajak9330@gmail.com

SUMMARY

experienced Mobile Application Developer with 2+ years specializing in React.js and React Native, creating robust, user-friendly cross-platform apps for iOS and Android. Proficient in modern JavaScript frameworks, with a strong background in front-end development, UI/UX design, and back-end integration.

WORK EXPERIENCE

Bright World Infotech India (BWII) (Zirakpur, Punjab)

Mar 2023 - Present

Projects

- **Albia Biocare**
It's an application for Pharma Companies across various segments, organized under multiple divisions. The project involves using React Native with Firebase for deep linking and push notifications etc.
- **Orangebiotech**
It's an application for pharmaceutical companies, showcasing products across different segments and divisions, with e-commerce features such as 'Add to Cart.' The app is built using React Native and includes Firebase for deep linking, push notifications, and payment integration.
- **Suenos**
It's an application for BLE and Wi-Fi, allowing users to control devices, manage scent timing, and adjust scent speed. The app is built using React Native, utilizing npm packages for BLE connection and Wi-Fi integration.
- **Bioraiz**
It is an application designed for pharmaceutical companies. It showcases products across various segments and divisions, providing detailed information about each item. The application is built using React.js and Redux.
- **capsule**
It's a rental website with two types of users: renters and landlords. I used React.js and Redux Toolkit for the frontend, and Node.js for the backend.
- **PCD Pharma**
It is a website for pharmaceutical companies across various segments, organized under multiple divisions. It is built using React.js and Redux Toolkit.

Sogrow Ventures Private Limited (Mohali, Punjab)

Oct 2022 - Mar 2023

Projects

- **wamsg**
It is a website that allows users to create and customize WhatsApp links and send direct messages. The front-end is built using React.js, HTML, CSS, and Bootstrap.
-
