

Experience Summary

Total 6+ Years (Firmware Developer 3.5 Years).

Key skills	Experience
Embedded C	3.5 Years
Device Driver	2 Years
BSP	Good understanding

Project Details

Project Name	Temperature and Humidity Data Logger (Sutherland Global)
Description and responsibilities.	Data logger is designed and developed to measure and record temperature and humidity values in real-time. Apart from displaying, real time data is also sent to Laptop via UART for uploading to cloud / processing. Configuration information is stored on NOR flash and abnormal temperature/humidity values detected are logged in NOR flash for analysis.
Environment & Tools Used	Software STMCubID. Embedded C. Embedded C++. Free Rtos. Hardware ● STM32F446RE Nucleo-64 Board ● EEPROM ● NOR Flash ● 16x2 LCD ● DHT11 Sensor ● RTC ● Potentiometer

Project Name	Real Time Weather Monitoring System (Sasken Technology)
Description	This project was developed to collect and store various parameter like temperature, light intensity through different sensors. It also consists of logger system which converts the data into suitable format. Project was created using 8051 microcontroller.
Roles & Responsibilities	Developed driver and application code for different interfaces (UART, I2C, SPI)
Environment & Tools Used	Software Keil IDE. Embedded C. Hardware ● 8051(AT89S52) ● EEPROM ● 16x2 LCD ● RTC ● Potentiometer

Work Experience

Company	Designation	Period
Sutherland Global Services. Bangalore.	Firmware Engineer	Dec 2022 to 28 Oct 2024
Sasken Technologies Ltd. Bangalore.	Embedded Engineer	July 2021 to Nov 2022
Vector India Pvt.Lmt. Bangalore.	Lab Co-Ordinator	Nov 2019 to Apr 2021
Barr Eco solution Pune.	Hardware Engineer	Sep 2015 to Dec 2018

AMAR NATH

Mobile Number:8951523770

Email Id: amarlko1112@gmail.com

Embedded Skills

Programming Languages	C , Embedded C, C++,Embedded C++.
Micro controllers	8051,STM32.
OS / Platforms	Windows, Free Rtos,Bare metal
Protocols	UART,I2C,SPI.
Tools / IDEs	STMCube IDE, Keil IDE.

Academic Details

- **Bachelor of Engineering: Electronics and Communications** (AKTU University Lucknow U.P 2010 - 2015).
