

CARRER OBJECT:

To obtain a position that will allow me to utilize my technical skills, experience and willingness to learn in making an organization.

EXPERIENCE SUMMARY:

- Installing operating Systems all Windows XP, Vista, Windows 7, 8.1,10, Linux, Mac OS, Microsoft office 365 support, checking LAN problems and Installing Software driver.
- Installation Hardware and Maintenance of various software as per requirements.
- DDR Slots & CPU base replacing with Testing, Hardware debugging, BIOS IC flashing, Lab equipment maintenance, on handling test equipment like Analyzers, oscilloscopes, simulators etc.
- Repairs All in One Monitors LCD, LED, HDD drive, PRINTER, SMPS, computer motherboards.
- Networking, Linux and Window Server support.
- Install BIOS, bring up the dead system, drivers, debugging
- Configuring Linux and windows servers for DHCP/NIS/NFS/TFTP/HTTP/HTTPS/SMTP.
- HW/basic troubleshooting – check of HW integrity, loose parts, etc.
- Knowledge to connect a system in a Network Environment using DHCP/Static IP.
- Expert in SMD / SOIC packages / 0201, 00501 and QFN, EQFN, DQFN, MRQFN, WSP, component level rework, BGA part replacement, reballing expertise.
- Able to debug, rework & recover HW (test devices) for engineering team.
- Hands-on ability to understand schematics/BOM/ board bring up activities with analog and mixed signal/embedded hardware circuit.
- Good Knowledge on lab/rack setup bring up, troubleshooting and technical support.
- Familiar with lab processes and inventory management skills and knowledge on ESD and EHS.
- Knowledge of domain like Electronics product service base, manufacturing, semiconductor.

WORK HISTORY:

CLIENT NAME: SANDISK INDIA DEVICE DESIGN CENTRE PRIVATE,
Bangalore, 26th July 2021 to Present

Employer: Randstad Technologies Pvt Ltd,

ROLE: Hardware Engineer

- Experience in inspecting, testing and updating electronic systems, components, equipment and software.
- All mobile Android set, Laptops, development kits, high speed SDR boards BGA rework and all Chip level, SMD components, EMMC and UFS memory device chip soldering and Reballing, fixing with help of rework machines ERSA, hot air guns, soldering stations and harnessing for prototype device.
- Understand and draw schematic diagram and Platform design and testing by oscilloscope, Multimeter, Logic analyzer.
- Problem solving and OS troubleshooting skills in hardware and IT support in platform area.
- Managing Hardware Labs and ability to work in a fast-paced atmosphere.
- Experience in Embedded C with boot loader, BSP, Linux Kernel, Basic of python scripting languages.
- Maintaining asset inventory for client hardware components and conduct audits.
- Handling are vendors for component Procurement and shipment and harnessing for prototype device.
- Knowledge on NAND product and NVMe / any storage protocol is a plus
- Experience in BIOS flashing, update chipset drivers.
- Have a hands on experience on installing window/Linux OS, updating drivers.
- PC and new hardware Platforms, assembling peripherals system Bring up. b
- Able to build Host system from IT build or clone HDD for the use.
- Have knowledge to connect a system in a Network environment using DHCP/Static IP.
- EMMC AND UFS storage device Android, Laptops, development kits, device testing and debugging.
- Experience in motherboards troubleshooting

COMPANY NAME: CMS IT SERVICES PVT LTD, Bangalore, 23th August 2017 to 24th July 2018

ROLE: TEAM LEAD Hardware Support Engineer

- Team Leader in TRC department with System Technical support engineer.
- Support to repairing all Motherboard, SMPS, LAPTOP, TFT Monitor, Printers, UPS, HDD & RAM & internet device.
- Update the data in online stream and maintain data & vendor management of maintaining inventories for all spares and preparing monthly reports.
- Troubleshoot and resolve complex and escalated tickets and incidents opened by end usersthrough help desk, phone call.
- Implement solutions that are compliant and stay within budget guidelines.
- Providing customer service and problem escalation/ resolution, customer's grievance handling, SLA maintenance.

COMPANY NAME: AFORSERVE.COM Ltd in Bangalore, (10th august 2015 to 22th July 2017)

ROLE: TRC ENGINEER (Hardware and IT)

- TRC Engineer Department Hardware and IT support for technical issues IT Technical.
- Maintaining the team and vender escalation, Store activity.
- Give priority to maintaining TAT & productivity. Analyzing PCB PTH and PCIE card repair.
- Servicing of test equipment 's & other peripherals to component level.
- Working Repairing & servicing of SMPS, KEYBOARD and DESKTOP & LAPTOP, all in onedesktop, chip level motherboard issue,
- All type of materials receipt, unloading, and physical verification
- Ensuring for preparation of GRIN, Excess/shortage/rejection Memo with stipulated time.
- Proper storage system of materials considering safety norms.
- Update the data in online stream and maintain data & vendor management of maintaining inventories for all spares
- Desktop & Laptop Technical supporting & team handling.
- Well experienced in replacing BGA & maintaining rework, SMD.
- Repair ability, Fault analyses & Trouble shooting in all kind of Notebook & Desktop motherboards
- Latest ECS, ACER, LENOVO, MSI, & HP Mother Boards are chip Levelservicing of Mother Boards.
- DDR Slots & CPU base replacing with Testing,

TECHNICAL SKILLS:

- Peripheral interfaces like Ethernet, USB, RS232, SPI, UART, I2C.
- High speed board hardware such using 8/16/32 bit such Microprocessor and Microcontroller.
- Embedded C with Linux.

CERTIFICATION:

- Mobile phone repairing.
- Embedded System

PERSONAL PROFILE:

Date of Birth- 30th May,1990

Gender- Male

Language- English, Hindi, Bengali, Oriya.

EDUCATIONAL QUALIFICATION:

- B. Tech in Electronics & Communication Engineering in Camellia Institute of Technology& Management, Year of Passing 2021.
- Diploma in Electronics & Telecommunications Engineering in Shree Ramakrishna Institute of Science and Technology, Kolkata-Year of Passing 2015.
- Vocational in Computer IT & Fundamental - (ITI level) in Sadi R.N High School, West-Bengal,Year of Passing-2013.
