Software Developer

raman.kishore18@gmail.com

8248934724

Bangalore, India

A Dynamic Full-Stack Developer with 3.5 Years of experience in Web Development with proficiency in Angular, Nodejs , .NET WebAPI, Typescript, SQL, No SQL and AWS services.

WORK EXPERIENCE

Software Developer Accenture

08/2022 - Present

Bangalore

Achievements/Tasks

- Implemented **UI design changes** according to the design requirements and **created, managed states** in **Angular** applications to effectively manage the application data using **NgRx**.
- Implemented backend APIs in **NodeJs** and **.NET WebAPI** with **serverless architecture** integrated with dynamoDB and postgresDB.
- Automated** a data import process into **DB** using **step functions** and **S3** and also worked on **state machines** to execute **lambdas** in a state controlled manner.
- Integrated **S3** with **NodeJs** and **.NET WebAPI** to **resolve lambda timeouts** caused due to the size of response payloads.
- Managed and resolved **production incidents** within SLA, identifying root causes, implementing quick fixes, and collaborating with cross-functional teams.
- Responsible for build deployments during every release (Using **Azure CI/CD**).
- Conduct **PR/code reviews** and mentor junior developers to improve code quality and ensure their adherence to best practices in an **Agile team**.
- Assigned **Subject Matter Expert** and PoC for some core modules within the project.

Associate Software Developer Accenture

08/2021 - 08/2022

Bangalore

Achievements/Tasks

- Implemented functionality to **import Excel data** and implemented **role based functionality** for an **Angular** application.
- Implemented an **API** to take data from services and **export** it to an **excel**.
- Improved** and **optimized API performance** by implementing **cache** and used AWS **Cloudwatch** and **Splunk** extensively for **logging** and **debugging**.
- Implemented **test cases** for APIs and Angular application using **mocha** and **jasmine**.

EDUCATION

Bachelor of Engineering Veltech Multitech Engineering College

08/2017 - 06/2021

Chennai, Tamil Nadu

Courses

- Mechanical Engineering

SKILLS

Web Development

Angular
