### PROFILE

Experienced and approachable banking professional with 8 years in savings and investment operations. Recognized for leading teams, mentoring peers, and being the go-to person for solving process-related issues. Strong in building team trust, managing responsibilities, and improving day-to-day operations with practical solutions. Known as a dependable Subject Matter Expert (SME) who supports business goals through clear communication, efficient problem-solving, and a hands-on leadership style.

### WORK EXPERIENCE

#### Specialist (SME) – Savings & Investment Department

One Savings Bank India Pvt. Ltd.

2022 – PRESENT

- Serve as the primary SME and escalation point for the Savings & Investment department, offering expert advice on critical, high-impact processes.
- Collaborate with cross-functional teams and stakeholders to resolve complex queries and ensure process integrity.
- Lead training programs for new joiners and cross-train teams, ensuring operational readiness and compliance.
- Identify and mitigate risk through ongoing process audits, root cause analysis, and implementation of control mechanisms.
- Drive process improvement by analyzing trends and implementing solutions that increase efficiency and reduce error rates.
- Manage quality checks and handle sensitive customer complaints with an emphasis on resolution and compensation where applicable.
- Organize team workflows, delegate tasks, and ensure timely and accurate completion of deliverables.
- Prepare documentation and reports for internal and external audits to ensure audit readiness and compliance adherence.

# SKILLS

- Risk management
- High-quality service to sensitive clients
- Inward/outward cash remittance (RTGS) payments
- End-to-end processing of FPS, CHAPS, BACS, and Cheques
- KYC for UK-baxsed banking operations
- Operational efficiency and workflow streamlining
- Quality control and accuracy management
- Handling high-pressure situations and tight deadlines
- Cross-functional collaboration
- Internal audit support and documentation management
- Training and mentoring new and junior staff
- Process improvement and implementation
- Full-cycle banking operations management
- Client escalation handling and resolution
- Complaint analysis and compensation decision-making
- Financial reporting and compliance tracking

# DECLARATION

I hereby declare that the information provided is true and accurate to the best of my knowledge and belief.

## Senior Analyst

2019 – 2022

- Investigated and resolved unidentified payments in Suspense Accounts by leveraging deep knowledge of payment platforms and bank procedures.
- Performed end-to-end validation of investment and mortgage transactions via SWIFT, Faster Payments, BACS, CHAPS, and Direct Debits.
- Conducted quality control checks on all payment types to ensure data integrity and reduce operational risk.
- Generated financial reports, including Fund Transfer Summaries, Breach Reports, and CHAPS payment reports.
- Contributed process improvement ideas that were implemented to minimize AHT and optimize transaction settlements.
- Managed settlement of unmatched and unverified transactions, ensuring proper redirection or return as per policy.
- Handled KYC Processes

## Analyst

2017 – 2019

- Handled the full lifecycle of new customer account setups, from documentation to closure, with strict adherence to compliance standards.
- Processed a wide range of payments (FPS, CHAPS, BACS, Cheques) with accuracy and timeliness.
- Managed withdrawal requests via secure messaging and ensured correct fulfillment through CET systems.
- Conducted investigations on high-risk transactions and bulk payments to detect anomalies and ensure proper allocation.
- Supported bond account setup and maturity instructions based on customer preferences regarding reinvestment, reallocation, or withdrawal.

# EDUCATION

## Bachelor of Commerce (B.Com)

Sree Cauvery PU & Management College

# AWARDS & ACHIEVEMENTS

- Led 2019 project on improving service for vulnerable customers
- Winner of MI² Awards (2019, 2021) for innovative process improvements
