PROFILE

Digital Marketing Assistant Manager with 5 years of experience and a strong background in creating and managing successful marketing campaigns. Skilled in handling large advertising budgets and running effective digital campaigns on Google Ads, Facebook Ads, LinkedIn Ads, email, and WhatsApp. Adept at using data to track performance and make informed decisions. Proven ability to lead teams, develop and launch new products, and build valuable partnerships. Known for delivering results, solving complex problems, and enhancing brand growth across different market segments.

PROFESSIONAL EXPERIENCE

Collegepond / Converge

March 2023 - Present

Digital Marketing Assistant Manager

- Led product management initiatives, overseeing the entire user journey from awareness to conversion, and ensuring seamless customer experiences and high engagement levels. A strong background in email marketing, push notifications, and in-app notifications through Moengage, Webengage and more, enhancing user engagement, retention and more.
- Executed multi-channel marketing campaigns, including ATL and BTL strategies, resulting in a huge footfall at major events and webinars across cities. Conduct quality checks on the sales and graphic teams, as well as website UI/UX and content, identifying areas for improvement and implementing necessary changes and plans to enhance overall performance.
- Managed a ₹50 Lakh advertising budget, driving exceptional Return on Ad Spend (ROAS) through innovative, data-driven campaigns. Led successful digital advertising campaigns across Google Ads, Facebook Ads, LinkedIn Ads, email marketing, and WhatsApp marketing. Ensured that creative work aligned with brand strategy and messaging.
- Attended industry conferences and events from Google, Meta, and other reputed platforms, to stay current with trends and technologies, utilizing insights to enhance performance. Collaborated with the CEO, Directors, and VP to develop strategies that significantly increased lead generation, app installs, and brand growth.
- Optimized digital marketing operations with automation tools, improving workflow efficiency. Provided leadership and mentorship to a team, driving performance and achieving objectives.
- Delivered comprehensive performance reports and SWOT analyses to support strategic decision-making and growth planning. Spearheaded app install campaigns, achieving over 50,000+ downloads at a remarkably low cost-per-install, surpassing industry standards.
- Created impactful presentations for events, webinars, and public relations activities. Demonstrated versatility across B2G, B2B, and B2C segments, and effectively managed P&L to meet deadlines and uphold high-quality standards.
- Established partnerships with banks to facilitate education loans on a commission basis, driving brand success. Managed the development of an app from inception to launch, including user journey mapping and quality assurance.
- Facilitated crucial decision-making meetings with directors, resolving issues across various departments. Trained the sales team, and conducted feedback sessions to enhance performance. Guided the graphic and marketing teams and coordinated with vendors to ensure high-quality deliverables.
- Expertise in data analysis for tracking performance, optimizing campaigns, and identifying the best strategies for achieving superior results. Proficiency in Google Sheets, Microsoft tools like Excel, PowerPoint, and more.
- Demonstrated experience in GTM strategies, effectively launching products and services to the market while aligning with business objectives and customer needs.
- Traveled for meetings and events, fostering relationships and facilitating business growth across various regions.
