Postgres . postgres sql

PROJECTS

Health Care Project
01/2019 - 01/2021
Health Care Project for patient data management.
• Developed health care project for cardiology department, enabling patient data management and reporting.
• Utilized JPA, Spring, and RESTful services for the application.

WMAP
09/2021 - 09/2023
WMAP Project for onboarding clients.
• Developed WMAP project for client onboarding and account creation using AWS and Java.
• Implemented event-based API and worked in an Agile environment.

Central Booking Repository
09/2023 - 02/2025
Central Booking Repository Project for CWT.
• Worked on Central Booking Repository for managing booking data across applications.
• Led the project using Microservices architecture and participated as a Scrum Master.

SUMMARY

I am Raj Kamal, a passionate Software Engineer with 4 years of experience in the IT industry, specializing in Java Development. I have a proven track record in designing and developing web applications, employing technologies like Spring, Hibernate, and AWS. I aim to contribute my skills in a dynamic environment that fosters growth and innovation.

EXPERIENCE

Software Engineer 10/2023 - 02/2025
Sigma Software Solutions
Software development services.
• Worked on developing web applications with specialization in Core Java, J2EE, Hibernate, Spring, Spring Boot, RestFul services, Microservices, and AWS.
• Involved in the design and development of various modules in different releases.
• Solved and implemented technical issues, utilizing Agile methodology.
• Mentored and guided team members.

Software Engineer 09/2021 - 09/2023
Cognizant
Multinational technology company.
• Specialized in developing event-based APIs.
• Worked in API team and integrations team.
• Acted as a Team Lead and Code Owner for multiple projects.

Software Engineer 09/2019 - 01/2021
Openxtro
Software development company.
• Developed web applications using Spring and Hibernate.
• Implemented design patterns like DAO in projects.

EDUCATION

Bachelor of Commerce and Computer Application Administration 06/2016 - 03/2019
Chaitanya degree and PG college (Autonomous)
